ATATURK DIES

President Kamal Ataturk, the man who made Turkey a modern state, over seemingly insurmountable obstacles, died last week.

Once called by Great Britain's Lord Balfour the "most terrible of all terrible Turks," Ataturk nevertheless left his country with all the forms of democracy intact. To those who looked last week at Turkey as the first real test of what happens when a dictator dies, the answer could be given that Ataturk, admirer of parliamentary government, was not a dictator in the same sense as Adolf Hitler and Benito Mussolini. Those democratic forms which Ataturk had instigated functioned well last week. For a day Abdulhalik Renda, president of the Grand National Assembly, was provisional president. Next day the Assembly elected deaf, 60-year-old General Ismet Inonu, long Turkey's No. 2 strong man, for a four-year presidential term. It was constitutional procedure.

NOBEL WINNER

Pearl S. Buck has won the Nobel prize for literature. Modestly, the famed author of "The Good Earth," said the prize should have gone to Theodore Dreiser.

Although many U. S. critics are undoubtedly snorting at the selection, more politically-conscious Europe was well pleased with the decision. It will be remembered that Pearl Buck has tellingly attacked dictators and championed the common people of China.

PUGET SOUND

Senator Lewis Schwellenbach last week advised members of the Alaska Committee of the Seattle Chamber of Commerce that the future of Puget Sound was wrapped up in the development of Alaska and that unless Alaska and the industries of Alaska were developed it would be only a matter of time until Portland, Oregon and possibly Vancouver, Washington would equal or even surpass Seattle.

He called attention to the fact that all the big federal projects in Washington affect only the southern portion of the state.

D C RECREATION BARN-YARD GOLF VERY POPULAR

Gunners Use 1630 Rounds Of Ammunition At Coyote Point Turkey Shoot

Opening of the Los Banos avenue horseshoe courts Sunday under the sponsorship of Daly City recreation department was received with great enthusiasm by local barn-yard golf fans. Fifty-six men and eight women played on opening day and evening attendance is steadily increasing.

George McLeod superintended construction of the courts.

TURKEY SHOOT

The turkey shoot held at Coyote Point, San Mateo, on Saturday and Sunday, under the supervision of the recreation department was an unqualified success. Gunners used 1630 rounds of ammunition in the event and twelve boys, aged from 12 to 18 years, took home turkeys for Thanksgiving.

Hugh Kost, young son of Doc Kost of Daly City, shot high score Sunday.

Locals Win Game With R. C. Nine

At Burlingame Washington Park Sunday afternoon the Daly City-San Mateo baseball team defeated the Redwood City Merchants in a double header 8 to 6 and 6 to 5. Petrocci and Mandish were the star artists of the afternoon for the Daly City-San Mateo contingent. Petrocci got six hits and batted in five runs. Mandish slapped a home run into deep right center bringing a man in ahead of him.

Next Sunday afternoon at 2 o'clock on the Jefferson High School Diamond the Daly City-San Mateo team will play the Crescent athletic club, an all star colored team from Palo Alto.

NO CLUB MEET

Because of Thanksgiving the Jefferson High School gym will be closed this evening, November 25. The Men's Club will not meet tonight. Next meeting will be held December 2.

The golden Phoenix, which tops the 400-foot Tower of the Sun on Treasure Island at the 1939 California World's Fair, weighs 5,000 pounds.

D. C. RECORD EMPLOYS THREE LOCAL WRITERS

Correspondents Urge Residents To Call Them

Staff members of the Daly City Record, who cover local news items, announce that they are anxious to give a more complete coverage of social and personal news of the Daly City field. In order to accomplish this objective the correspondents urge that all local residents feel free to telephone news to them.

Daly City proper is covered by two women correspondents of veteran standing, Mrs. Grace L. Augustien and Mrs. Ethel Bolger, both of whom have written local news for the paper for the past nine years. Mrs. Augustien may be contacted at ELKridge 4971, 501 Evergreen street, preferably before 10:30 a.m. in the morning and Mrs. Bolger is available from 10 a.m. until noon at RAndolph 5386, 43 Risel street.

A new but competent correspondent has recently been appointed for the Colma and Lawndale area, Miss Eleanor Price, 211 F. street, who may be called any evening after 5 p.m. at DElaware 0378. Miss Price, a graduate of Jefferson Union high school, is now attending San Francisco State College.

COLMA SOIL DISTRICT FORMATION HITS SNAG

San Mateo County's efforts to form a soil erosion control district to prevent filling of Colma Creek drainage ditch was stymied this week because Gov. Frank F. Merriam has failed to appoint a State Soil Conservation Committee, the board of supervisors was advised.

A petition signed by the required number of property owners in the Colma Creek Basin has been certified and forwarded to the state with a request for an investigation and report at the earliest possible date.

Action by the state committee is essential to an application to the federal government for aid, it was pointed out.

Kill 1; Injure 1 Over Week End

An aged man killed and a woman critically injured was Daly City's traffic toll last week end.

Andrew Solari, 63, Colma rancher, was killed as he walked across El Camino Real near Junipero Serra boulevard intersection Saturday night. He was the fifty-first traffic victim of the year in San Mateo County.

Solari was crossing El Camino Real with a jug of wine under his arm, witnesses said. When he was struck, the wine splattered over the car and the broken glass strewn the street. The car was driven by William James DeVanie, Daly City, who was exonerated of blame by police.

Mrs. Cora Fisk, 76, Daly City, is in the Villa Hospital with a broken elbow and internal injuries suffered when struck down on Los Olivos avenue near her home Sunday evening.

Mrs. Fisk was run down by a car driven by Walter A. Volken, San Francisco, who was cited for reckless driving by local police.

S E E K BREAKWATER FOR HALF MOON

Plans of the Half Moon Bay Lions and the Western San Mateo County Progressive association to secure a breakwater and harbor at Half Moon Bay were unanimously approved by the San Mateo county federation of improvement clubs and associations this week.

First move to secure a breakwater at Half Moon Bay was taken last Tuesday night when a mass meeting was held at Half Moon Bay and plans outlined to secure the breakwater.

Immediate steps were taken to present the plan to the chief engineer of the United States War Department.

STATE CHAMBER MEETS DECEMBER 1, 2

Members of the California State Chamber of Commerce will hold their thirteenth annual state-wide meeting in San Francisco December 1 and 2. Many peninsula business men are expected to attend.

Cite 20,000 Peninsular "Prospects"

More than 20,000 San Francisco families in the "middle to upper" income brackets are probable or possible "prospects" for The Peninsula, it was revealed by a house-to-house survey in the Bay City, just completed by San Francisco Peninsula, Inc.

"Projecting the results of our survey in terms of total San Francisco families with estimated incomes of \$2500 or more, it was found that 20,700 expressed a choice as to where they would live if they moved out of the metropolitan area," said W. M. Kelly of Palo Alto, a director of the community development organization. Of these, 9800 families said they would consider The Peninsula favorably, and 9600 favored Marin County or the Eastbay.

Kelly said his organization regarded these findings as conclusive evidence of the need of community advertising, pointing out that of the 9600 families who favored competitive residential areas, hundreds might be persuaded to come to The Peninsula were they fully informed on its exclusive advantages—not to mention the 9800 who already know and like The Peninsula and might be inspired through advertising to investigate available homes, lots and rental properties.

Spanish Volunteers To Speak in S. F.

Fred Keller, American volunteer in Spain and among the first of the American volunteers to return, will tell the thrilling story of his escape from Franco's forces at a meeting sponsored by the Friends of the Abraham Lincoln Brigade on Wednesday, November 30, 8 p. m., at the Scottish Rite Auditorium.

On the same platform will be Dave Thompson, who served in the Lincoln Brigade. Thompson, a San Francisco boy, is the son of Frederick Thompson, who has been active with various organizations here supporting the Spanish government. Lieutenant Thompson is also the nephew of Kathleen Norris, famed author and newspaper writer.

Mr. Keller swam the Ebro River three times during his adventures in escaping from Franco's forces and saw many of his fellow prisoners shot down by the Fascists in their attempts to escape.

Joe Murphy, representing the American Federation of Labor, will also be among the speakers at this meeting.

Proceeds of the meeting will go into the fund being raised throughout the nation for the return of the remaining American Volunteers in Spain.

Report Prosperity On Increase

Continued improvement during October in several important fields of business throughout California and the Far West was reported by Carl E. Newman, local branch manager of Bank of America.

According to the latest business review just compiled by the bank's analysis and research department, increasing prosperity was shared by building construction, retail trade, carloadings and bank debits.

Total value of October building permits for all classes of construction issued in 32 representative California cities was \$17,057,329, a new high for this year and an increase of 74.3 per cent over October of last year.

Residential building maintained a similar place, the increase reported by eleven key California cities being 71 per cent in the same period.

Department store sales in the Twelfth Reserve district advanced substantially in October. The index of such sales rose to 88, an increase of nine points over September, and in California, indexes for Los Angeles and Oakland rose twelve points. San Francisco, despite strike conditions throughout October, registered a gain of five points over September.

Carloadings in California during October showed a daily average increase of 6.1 per cent over the previous month after adjustment for seasonal variation, and the daily average of bank debits advanced 1.3 per cent.

Travel authorities predict that 1939, with "Fiesta in the West" climaxed by the World's Fair on San Francisco Bay, will see new records set for westward tourist travel.

Appointed To Head Cal. Public Works

FRANK W. CLARK

Frank W. Clark, 46, Los Angeles business executive, who was recently appointed by Governor-elect Culbert L. Olson of California, as state director of public works. Clark's appointment was the first to be made by the new governor. Retiring director, Earl Lee Kelly, tendered his resignation, effective December 31. Clark has never held public office before.

OLSON SAYS BUDGET MUST BALANCE

The state treasury will be "in the red" more than \$34,435,000 next June 30, when the current biennium ends, Dr. H. Dewey Anderson, financial advisor to Governor-elect Culbert L. Olson, said last week end.

Olson stated he would submit a balanced budget to the legislature in January. He said it would be accompanied by recommendations for increased taxation if necessary or an outline of necessary economies to stay within the present income structure.

The governor-elect has repeatedly insisted that one of his first objectives is a balanced budget.

Local Boy Killed On Thanksgiving

The grim specter, death on the highway, claimed another victim here Thanksgiving morning.

Adolph Agresti, 19, local boy and former student at Jefferson Union High School, was killed on Mission at Price street at 4:18 a. m. yesterday morning. When crossing Mission street Adolph and his brother Ricco were both struck by a Plymouth coupe driven by Frank H. Brown, 242 Grand avenue, San Francisco. Ricco Agresti was only slightly injured.

Also hurt were Roy Brown, brother of the driver, and his wife, Mrs. Roy Brown, 253 Lee street, San Francisco.

CALIFORNIA WORKERS HAVE JOB INSURANCE

Two billion dollars in wages of California workers in industry and commerce have been subject to job insurance this year, including the estimated balance of the year, according to contributions received from employers by the State Department of Employment, James L. Matthews, chairman of the Unemployment Reserves Commission, announced early this week.

"Our collections since unemployment compensation began in January, 1936, to date, are \$126,410,529.30," said Matthews. "Roughly, all employers in industry and commerce, not including agriculture, public service, domestic service, charitable institutions and a few minor classifications, are covered, provided they employ four or more employees."

PWA Program Ahead Of 1939 Deadline

One month and a half ahead of the deadline date of January 1, 1939, the Federal Public Works Administration has 75 per cent of a \$72,900,870 public works program under construction in the western four-state region, (California, Arizona, Utah, Nevada), already re-employing thousands of formerly idle men. This was announced officially last Saturday by J. W. Bournier, acting regional director.

LOCAL CHAMBER OF COMMERCE SPONSORS GALA CHRISTMAS PARTY FOR D C CHILDREN

Architect, Inspectors Meet With Council

Will H. Toepke, architect for Daly City's new city hall, local and federal building inspectors on the job, City Attorney Rapsey and all members of the city council met in special session Tuesday evening to discuss details of construction work.

Contractors are meeting deadlines and the building will be completed on schedule before the middle of next year. Architect Toepke announced that costs are not exceeding his estimates and that by rigid economy the hall can be completed and adequately furnished without additional expenditures.

Plan Permanent Foundation For Infantile Paralysis

Keith Morgan, national chairman of the Committee for the Celebration of the President's Birthday for the National Foundation for Infantile Paralysis, Inc., announces that after January 30, 1939, the National Foundation will establish permanent chapters, embracing every county—each chapter to be made up of representatives from all the communities that have played a part in the fight to stamp out this dreaded disease.

Maintenance funds for the organization are to be divided on a 50-50 basis. Half of all moneys raised are to be retained by local chapters to carry on work in their own territories. The other half is to be forwarded to the national committee.

Fillies Have It Out Saturday

Fillies, bred in California, will have it out Saturday in the Tanforan Lassie stakes, fourth running.

This event, third on the list of stakes offered by coast race track managements to encourage the breed of thoroughbreds, brings together foals of 1936. Twenty-eight remain eligible. Nominations were first taken more than two years ago.

John W. Marchbank gives \$5000 in added money to the contestants in the Lassie—those which finish one, two, three, four. Nomination fees are added to this sum making the award a rich prize indeed.

At the present moment Blue Breeze, owned by Janss Brothers, proprietors of a large breeding farm in Southern California, seems a certain favorite. This miss pointed straight at the Lassie. Grayson Philpot, ex-jockey, does the training. Philpot started her three times in the forepart of the year. She got the second to Valley Lass, a real good one in a Santa Anita race, then won over Tonopah Queen and Norway Bell. Returning in an Arcadia stake she finished fourth, when favored after a rough journey. She avoided summer racing. Resumed work during Bay Meadows. Unplaced to Zadra in a trial, her second effort on November 10 found her reaching second place to the good colt Bubbling Boy. She's fit, improving, ready to run.

In Mintouri the John McKeon stable appears to have the miss to beat. Mintouri is strictly Californian. Her dam Mintary ran at Caliente for Bill Hartman, winning six straight. She had extreme speed. The sire is Bistouri, son of Tracery, and long time head sultan at Rancho San Luis Rey.

Another Bistouri in the Lassie—Green Jade, could prove a factor.

Double H. Ranch of Henry Potter Russell, located at Carmel, may have two starters—Temperment and Titicaca.

Lovely Bells shapes as a Cooper starter. She won at Santa Anita on February 2.

Here are a few items about others still eligible for the Lassie: Kirtan, Atkin bred Boeing miss, went to Santa Anita where she may be training for the scrap, though this is doubtful.

Truce, a Tick On gal, received injuries a short time ago and cannot be up in time.

Plucky Helen, Church stable, failed to reveal speed when asked and hardly holds sufficient class; Valoria, stable mate, won't go.

Marguerite L., revealing early foot under Jockey Kilgore, may try for it. Xentor, Franciose, Vade Retra, Bon Veille have proved wanting in speed.

All Organizations Urged To Aid Program

TO MEET NOV. 30

Daly City Chamber of Commerce Christmas Committee, headed by Peter Markovich, announced this week that it plans to concentrate its efforts on a gala theater Christmas party for all local children and their friends.

Letters were sent out inviting every local organization to participate in sponsoring the party for children here. Chairman Markovich called a general committee meeting for Wednesday evening, November 30, at Theater Hall. Every organization is requested to send representatives to the committee meeting.

Tentative plans for the Christmas theater party include a special feature picture, exhibition dancing by children of the Miss Rose Dance Studio and a stage show by the Golden Gate Conservatory of Music.

Artists of the Golden Gate Conservatory, under the direction of Miss Horn, will present a colorful Christmas scene to the accompaniment of a ten piece band. Miss Rose's Dancing Kiddies will do a number of exhibition features in costume.

Friday afternoon, December 23, has been set as a tentative date for the theater party. If more children attend than be accommodated in one house a second full show will be given.

The committee hopes to secure enough funds to present each child a bag of candy and nuts.

Nine Organizations Make Appropriation

Final Chamber of Commerce reports list eight local organizations and the City of Daly City as making financial contributions to the recent Hallowe'en carnival for Daly City children.

Organizations which made appropriations are: Fathers' Forum, Woodrow Wilson P. T. A., El Carmelo Parlor No. 181, N. D. G. W., Royal Neighbors of America, Old Glory Auxiliary No. 2044, V. F. W., Italian American Citizens Club and the Chamber of Commerce.

Report Potential Health Hazards

Over 900 occupations in California industries involve potential health hazards to about 27 per cent of the two and one-half million gainfully employed persons, according to a recent report to Dr. Walter M. Dickie, director of the State Department of Public Health. The majority of these occupations are in the manufacturing and mechanical industries, and in the extraction of minerals where work involves contact with, or exposure to, substances and environment conditions which may have a detrimental effect on the health of the workers.

Comparatively new in the field of preventive medicine is the work of the Industrial Hygiene Service. This phase of public health work was inaugurated last year by the State Department of Public Health in an effort to study and correct environmental conditions which affect the health of industrial workers in the state.

Among the activities of the service during the first year of its existence were the quantitative field and laboratory studies made of potential health hazards, due to exposure to the following materials in the designated industries: rag sorting, organic dusts; bottle washing and sorting, alkalis and chemicals; insecticide manufacture, pyrethrum powder; building insulation, redwood bark and spun rock wool; photography and printing, organic solvents; brick laying, adhesive tape; and oil production and refining, hydrogen sulphide.

In each case where an actual health hazard was found to exist, recommendations for the control of these hazards and protection of the health of the exposed employees, were submitted and discussed with officials of the plant involved. Recommendations were carried out with resulting improvement in working conditions.

Paving of the 80-acre parking lot for visitors to the 1939 California World's Fair, has been completed and space is available on Treasure Island for 15,000 autos.

U. Of C. Professor To Receive Award

The highest recognition that the organized geologists of America can confer upon a member of their profession is to be extended to Professor Andrew Cowper Lawson, a member of the mining and geology faculties of the University of California for thirty-eight years, and an active professor emeritus for ten additional years. This recognition is the award of the Penrose Medal, provided in a bequest by R. A. F. Penrose, member of the celebrated Penrose family of Pennsylvania, to the Geological Society of America. Penrose was for many years one of America's leading economic geologists.

The award comes to Professor Lawson as the result of his many achievements in the field of geology, not the least of which was the analysis of the foundation material for the San Francisco-Oakland and the Golden Gate bridges. The medal is to be presented at the annual dinner meeting of the Society in New York City on December 30, held in connection with the annual convention of the organization.

The French-Indo China pavilion was the first foreign structure to arrive at Treasure Island for the 1939 California World's Fair.

PACK-A-REE ALL SET FOR TOMORROW

Cubs of Pack No. 141 have completed a busy week preparing for the second annual Pack-a-ree to be staged as an all-day event tomorrow in Vista Grande Park.

The affair will open at 11 o'clock tomorrow morning with an exhibit of model airplanes, model gliders, bows and arrows made by the cubs.

At noon a picnic lunch will be enjoyed by the cubs, their parents and friends.

The program will be augmented with music furnished by local talent and talks by San Francisco Area Council cub officers and prominent local citizens, including Mayor Paul G. Selmi.

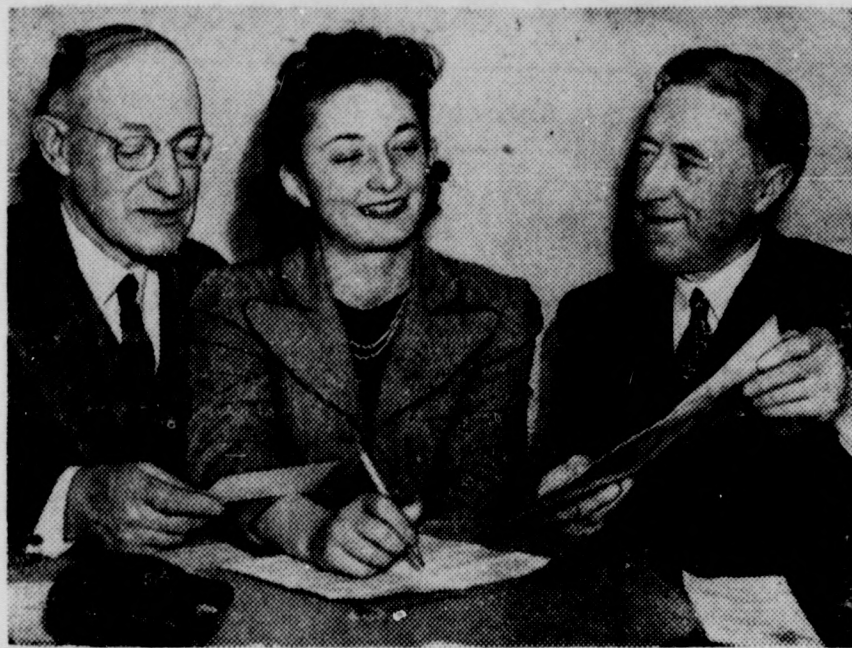

The afternoon's activities will start with a review of the cub pack by the pack committee and guests, to be followed by a junior aviation meet, drills, stunts, games, song and yell competitions and other contests.

The climax will come at 4 p. m. when honor awards and prizes will be presented to victorious cubs, den chiefs and dens.

The public is cordially invited to attend this affair.

Western headquarters for the United States Travel Bureau have been opened in San Francisco nearly a year ahead of schedule to aid travelers going to the 1939 Golden Gate International Exposition.

Creeds Unite in S. F. Thanksgiving Rites

Religious ceremonies in which all creeds took part were held in San Francisco for Thanksgiving Day to demonstrate the spirit of tolerance and amity between religious groups in America. Leading Catholic, Jewish and Protestant priests, rabbis and ministers are endeavoring to bring about a better understanding between all sects throughout the world. Photo shows Rabbi Rudolph R. Coffee (left), Gloria Grantham and the Reverend E. A. Lornther planning services.

California Speaks!

Significant Statements By Californians

LEROY WHITAKER, Brisbane, former miner who invented amplifier enabling him to hear for the first time since he was deafened in youth—"At last I know what tap-dancing is!"

GEORGE R. REILLY, member-elect, State Board of Equalization—"I think that the matter of drinking by minors is primarily the problem and responsibility of the parents."

DR. ALVIN C. EURICH, prof. of education, Stanford—"Barring war or a recurring depression, present college graduates can reasonably expect to earn between \$2,000 and \$3,000 annually eight years after graduation."

MISS MARION LEE GRANT, S.F., receptionist—"Most men I know are not worth the insurance they carry."

HERBERT HOOVER—"Our minds and hearts must be steeled against becoming entangled in other people's wars. We cannot be a successful world policeman."

SIR GEORGE PAISH, British financial authority, addressing Commonwealth Club of S. F.—"Every country in the world is pump priming. The total amount of government credit money now being created is fabulous."

MRS. WILLIAM DEYHLE, housewife, Corona del Mar, on return from tour of Germany—"The food was bad. My husband was reprimanded for greeting an officer with 'good morning' instead of 'Heil Hitler.' When we sighted the Statue of Liberty on our return I cried for joy."

ZASU PITTS, on requiring change in play script so she can look at a clock instead of a wrist watch—"I can't explain it; but to wear a wrist watch, or even look at one, sickens me."

Auxiliary To Attack Juvenile Delinquency

Mrs. Ona Floe Wise, superintendent of the San Mateo County Juvenile Detention Home, was the guest speaker last Saturday evening, November 19, at the meeting of the twenty-sixth district, American Legion Auxiliary, held at American Legion Hall, San Bruno.

Prevention of juvenile delinquency (by furnishing properly supervised recreational facilities, securing legislation to provide proper training of delinquents in penal institutions, and co-operation with existing agencies to procure social adjustments of juveniles upon discharge from institutions), will constitute one of the major programs of both the Legion and Auxiliary this year.

Mrs. Helen Lancaster of Burlingame was appointed by District President Mary Hayes to represent the Auxiliary on the Co-ordinating Council for Youth Activities now being formed in San Mateo County.

Mrs. Florence Chess, department president, who recently returned from a national conference in Indianapolis, spoke briefly on the convention program.

Cleo Miller, commander of the twenty-sixth district of the American Legion, and John Vogt, district adjutant, offered the full co-operation of the Legion in the Auxiliary's program.

Announcement was made by Mrs. Hayes of the award of the department membership prize to Irene Signarowitz of South San Francisco. Short reports were made by the various chairmen, and announcement was made of unit activities during the holiday season. The next district meeting will be held in Burlingame, January 13.

CHANGE IT ANYHOW

The service station attendant, checking over the differential and transmission for adequacy of lubricant, may find that they are safe as to quantity, according to L. G. Evans, general service manager of the National Automobile Club. Ordinarily the motor car owner is fully satisfied with such a report. He should not be. Quantity is not enough, for the lubricant must have quality as well. It cannot have after a specified mileage and the safe policy is to have the old grease or oil removed every 5000 miles at least.

A frequent cause of starter failure is a broken, loose, or corroded battery terminal, according to the Emergency Road Service of the California State Automobile Association. Other causes are a discharged battery, loose wire at the starter switch, and poor ground connection.

HOMELESS CHILDREN BENEFIT BALL

Native Sons Daughters, through their Homeless Children Committee, will present their twenty-seventh annual Homeless Children Ball tomorrow night, November 26, in Exposition Auditorium.

Preceding the dancing in the Auditorium will be a drill team and drum corp contest participated in by uniformed units from Native Son and Native Daughter parlor in the Bay Area. The Daly City group, El Carmelo Parlor No. 181, will compete.

You'll be Thankful...

YOU JOINED THE EASY CHAIR LEAGUE

THIS IS THE SEASON when families everywhere give thanks for the good things of life. Good friends, the festive tables, the holiday spirit in the air, the just-right climate, all serve to bring forth a universal expression of thanksgiving—that it is good to live here in California.

THIS IS THE LAND where Life is Better. Gardens are spread with masses of colorful blossoms instead of drifts of snow. Rains wash the streets and cleanse the air as a prelude to the return of sparkling clear days. Within the California homes of Easy Chair Living, as quiet and as effortless as a warm Spring breeze, Gas Heat circulates its welcome warmth.

THIS IS LUXURY LIVING and it is marked with the price tag of economy. A California winter becomes months of ease and contentment. Gas—the perfect fuel—comes delivered in a pipe. It is ordered up to work as easily as turning on a light switch. It is one of the many good things all Californians can enjoy without restraint and it is also one of the big reasons why thousands of Eastern folk say—"you can live better—and longer!—for less money in California."

WHAT GOES ON HERE?

This is your own home town. For that reason it is by far the most important place in the world to you.

How much do you know about it? Is it progressing rapidly or standing still? What are your neighbors doing to make it a more interesting community? How do its citizens work and play?

The Daly City Record is the **ONLY** newspaper which carries the full news of how your own home town is progressing, the only paper which carries news of your local friends and organizations. The big dailies bring you more world news, perhaps, but no local information. This is why you need the Daly City Record—it tells you the story of your home and neighbors, the most vital news printed, as far as you are concerned.

In addition, of course, it has full coverage of San Mateo County news and surveys of world affairs.

Buy it—read it regularly for all the news of Daly City and its many business, civic, fraternal and educational activities.

SPECIAL OFFER

As a special introductory offer, the Daly City Record will give away a dollar box of choice Christmas cards with each new subscription which is paid two months in advance. The rate is 25c per month now that carrier service has been instituted. Call RA 3215 and a representative will come to see you.

KNOLL'S MARKET GETS THOROUGH MODERNIZATION

Now One of Daly City's Finest Marts

Knoll's Market, Daly City's first grocery store, is now one of the newest and most convenient food marts. Modernized throughout, the market has three departments—grocery, meat, fruit and vegetable—which makes it possible for the housewife to save time and do all her shopping under one roof.

Fred Knoll, manager of the grocery department, announces a new service policy by which the shopper may either help herself or be waited on by a clerk. Quality line canned goods and staples are conveniently arranged on shelves and display racks.

Complete lines of daily fresh fruits and vegetables are announced by Sam Lamonica, manager of the fruit and vegetable department. The inauguration of this new department at Knoll's Market is being enthusiastically welcomed by housewives.

Smiling Joe Doyle, one of Daly City's first merchants, is in charge of the meat department. With a modern "floating air" Friedrich refrigeration equipment this department is able to display and sell first quality meats, poultry and fish as fresh and as good as the hour they come from the wholesalers.

Knoll's Market features free rapid delivery. Orders are taken either over the phone or in the store.

REMOVE YUBA BRIDGE

Crews have been started on removal of the old bridge across the North Fork of the Yuba River, according to the Touring Department of the National Automobile Club. During the time this work is underway, traffic will be detoured over existing streets in Downieville and a county bridge across the river upstream from the highway bridge. During the summer of 1939 a new bridge will be built at the site of the removed bridge, and, until completion of the new bridge, traffic will continue to be routed over the established detour.

Firemen Thank Whist Supporters

Veteran Firemen's annual whist last Friday evening was well attended. The veterans wish to thank John W. Marchbank for the use of Theater Hall for the whist and the theater for showing a publicity slide. Credits are extended to the Colma-Vista Grande Aerie No. 1848, F. O. E., Community Welfare Association and Co. No. 3, D. C. F. D., for properties loaned and assistance rendered. Charles Vernengo of Charles Smoke Shop donated cards for the affair.

Turkey winners were Mrs. Gus Ford, West Lake avenue, ticket No. 244; Dora Schramm, 46 Beta avenue, ticket No. 707; T. Curran, 341 Howth street, ticket No. 479; O. Cereghino, 332 Myrtle street, Oakland, ticket No. 577; and George Nick, 31 Hillcrest drive, ticket No. 2907.

Winners received their turkey orders from H. W. A. Rickman, 421 San Diego avenue.

Miss M. Corish Married Here Sat.

Mrs. Margarita V. Corish of Parkview avenue and Eugene G. McDaniels of San Francisco were married Saturday afternoon at Our Lady of Perpetual Help Church by Reverend Father Ryan.

The bride who was given in marriage by her brother-in-law, Peter Conci, wore a suit of dark green trimmed with brown fur with small turban to match. Her flowers were a corsage of orchids. Mrs. Verna Borges, matron of honor, wore a teal suit with matching accessories and a corsage of gardenias.

Bob Jones was best man. After the services a reception was held for the immediate families at the home of the bride's sister, Mrs. Mary Conci, on Parkview avenue.

Mr. and Mrs. McDaniels will motor north on their honeymoon and plan to spend Thanksgiving holidays with the groom's parents and family at Walla Walla, Washington. They expect to return in about two weeks and will make their home on San Diego avenue.

The glamorous mystery of pearl culture will be shown on Treasure Island, where a half million pearl oysters transported from Japan to the 1939 California World's Fair, will be "at work."

PEDESTRIAN WARNING

When crossing the street or walking in the roadway the motorist cannot see pedestrians as well as they can see his car, states the Safety Department of the National Automobile Club. It is therefore a poor idea to depend upon the motorist to see the walker and keep from hitting him. On city streets, develop the habit of crossing only with traffic signals; on rural highways, walk on the left side of the road; carry a light or wear light clothing, suggests the N.A.C. Three-fourths of all traffic fatalities in larger cities are pedestrians.

Cold Weather Tips For Care Of Motor

Each winter many costly repair jobs result from frozen motors, due to carelessness or lack of knowledge on the part of motorists who drive from California valleys and other lowlands into the mountains for snow sports or other purposes. This fact prompts a timely bulletin by the Emergency Road Service of the California State Automobile Association.

Anti-freeze solution in the radiator is a safe preventive, but there are other safeguards, the bulletin points out. For example, if the car is going to stand idle only for a few hours during the middle of the day, parking in the sun and covering the radiator and hood with a blanket or two is all that need be done. If the car is to be left for the night where freezing temperature prevails the radiator and motor block should be drained.

WATER PUMP
After draining the radiator and motor block it is a good plan to start the motor and allow it to run for two or three minutes. This will assist in expelling any water that may remain in the water pump and other parts.

Should a small amount of water remain in the pump it may freeze and prevent starting. For this reason it is a good plan to make sure that everything is free before attempting to use the starter again. If the car is equipped with a crank the test may be made by cranking the engine by hand. If there is no crank available, place the car in high gear (switch off) and rock it back and forth. If the pump is frozen the crankshaft will not turn.

Hot water is the safest method of thawing out a frozen pump. Under no circumstances should a car with a frozen motor be pushed or towed to start.

McDonough Niece Married At Reno

Mr. and Mrs. R. McDonough of Winchester street accompanied their niece, Miss Norine Purcell, of Burlingame and Adolph Lombardi of Guerneville to Reno, Nevada, Wednesday of last week where Miss Purcell and Mr. Lombardi were married in the Cathedral by Reverend Father O'Connor. Mr. and Mrs. McDonough attended them as matron of honor and best man.

The bride was dressed in a teal blue afternoon gown trimmed in gold with wine colored accessories. She wore a corsage of gardenias.

Following the ceremony the group motored to Sacramento where a wedding dinner was enjoyed at the La Rosa restaurant.

On Thursday they returned to San Francisco and in the evening were dinner guests of Mr. and Mrs. Harry Mapes in Oakland.

Mr. and Mrs. Lombardi will make their home in Guerneville Park on the Russian River.

FROZEN BATTERY

In extremely cold weather the storage battery should be kept fully charged in order to avoid the possibility of damage by freezing, according to the Emergency Road Service of the California State Automobile Association. A partially discharged battery may freeze and burst.

The correct specific gravity of a fully charged battery is from 1.280 to 1.300, according to the Emergency Road Service of the California State Automobile Association.

One bottling company will supply 48,000 bottles of soft drink daily to concessionaires at the 1939 California World's Fair.

Traffic Safety

This is Thanksgiving Week and one of the things we can be thankful for is the growing interest throughout the nation in traffic safety. This interest has resulted in a definite reduction in the number of accidents and in the number of people killed.

YOUR effort as an individual in this country-wide movement will result in saving lives. Will you help through careful driving and sensible walking? Remember that the months of November and December in past years have shown the worst record for traffic tragedies. Every driver of a motor vehicle must be especially careful if the improved record is to be maintained. We rejoice that traffic fatalities are down 20 per cent this year in the United States. If we can keep this reduction throughout the remainder of the year, it will mean something like 8000 lives saved.

Ford Preview Held On Treasure Island

Treasure Island was the premier showroom for 1939 model Fords as eight hundred representatives of the Ford Motor Co., of Northern California, Western Nevada and Hawaii previewed the new cars in the Ford Building at the site of the 1939 California World's Fair.

A. J. Bertini, manager; and L. B. Abbott, salesman, of National Auto Company, local Ford dealers, attended the Treasure Island meeting.

An unusual midget is B. F. Holbrook, who is only 3 feet, 6 inches tall, and weighs 65 pounds. He isn't a side-show attraction, but a practicing lawyer in Atlanta, and claims to be the smallest member of the legal profession in the world. He was admitted to the bar last June.

FIRE'S ALLIES

Fire has two great allies. One is ignorance. The other is carelessness.

With the help of these allies, fire consumes about \$300,000,000 worth of property each year—and, of infinitely greater importance, destroys some 10,000 human lives.

Ignorance leads us to improperly repair electric cords, or put pennies behind burned-out fuses. Ignorance causes hazardous building construction, with inadequately protected heating pipes, flues and fireplaces. Ignorance causes us to hang wet clothes on electric wires, to use wooden barrels for hot ashes, and to search for gas leaks with matches.

Carelessness is an equally potent friend of fire. It causes us to postpone needed repairs to heating plants and electric wiring on the grounds that "we'll get around to it tomorrow or the next day." It causes us to store junk in attics, and to leave inflammable liquids near stoves and heaters. It causes us to leave matches where they may be easily reached by the ignorant hands of children.

Community Welfare To Hold Banquet

Members of the Community Welfare Association will hold a banquet Thursday evening, December 8, to celebrate the fact that local projects which they have indorsed, and for which they worked, are becoming a reality.

Community Welfare—along with other organizations and individuals—worked for the new city hall, new elementary school buildings, high school gymnasium, parks and playgrounds. Some of these projects have already been accomplished. Others are under way.

Road tar spots may be removed from the finish of a car by carefully rubbing the spot with a small amount of kerosene, according to the Emergency Road Service of the California State Automobile Association.

Christian Science Lesson Sermon

CHRISTIAN SCIENCE CHURCHES

"If God be for us, who can be against us?" These words from Romans comprise the Golden Text to be used Sunday, November 27, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The subject of the Lesson-Sermon will be "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." Included among the Scriptural selections will be: "God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good? . . . Surely there is no enchantment against Jacob, neither is there any divination against Israel; according to this time it shall be said of Jacob and of Israel, What hath God wrought!" (Num. 23: 19, 23).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defence" (p. 234).

Two-Story Fall Kills Elderly Man

A fall from a two-story window proved fatal Monday to William Voelker, 68, 424 Irvington street. He suffered a broken neck Thursday while washing windows at the home of a son, Bernhart Voelker, 127 Templeton avenue, and died late Saturday in St. Joseph's hospital in San Francisco.

Surviving are his widow, Mrs. Anna Voelker, and four children, William and Bernhart Voelker, Mrs. Marie Scheger and Mrs. Anna McKenzie.

Funeral services were held at 2 p. m. Tuesday from White's funeral service chapel in San Francisco.

Fathers' Forum Names Committee

Daly City Fathers' Forum met last week and named a committee of five to sit on the joint Chamber of Commerce committee and plan Christmas activities for local children. J. Carnivale, M. Conroy, Ed Cavagnaro, W. Lewis and H. G. King were named on the committee.

Members discussed competitive athletic activities for Daly City boys and girls at their Tuesday evening meeting. Mayor Selmi spoke on recreation facilities and opportunities here.

Paul Brooks and Mrs. J. Bernstein were winners of the turkeys awarded by the Fathers' Forum. Approximately \$50 was netted by the Forum from tickets sold for the turkeys.

Fire College Gives Instruction Here

Fire college instructors of the Daly City Fire Department turned in a drill alarm from box No. 43, Bellevue and Templeton avenues, Tuesday at 8 p. m. Companies No. 1, 4 and 5 responded and laid three lines of 2½ and 1½ inch hose.

Instructors watched the firemen, then at Company No. 4 quarters pointed out methods by which the men could have made still greater speed.

Battalion Chief Kennedy lectured on the proper use of pyrene extinguishers. Instructor Walsh gave a lesson in rope tying and hoisting equipment and Captain Peterson gave instruction on proper use of spanners. Methods of ventilation and the use of fire axes were discussed by Captain Sundstrom.

Chief Chesney called attention of the men to benefits to be gained by fire college instruction. Colleges are

BRILLIANT HISTORIAN PRESENTS NEW BOOK

America's part in the present unrest in Europe is delineated by Dr. J. Fred Rippy, professor of American history in the University of Chicago and former Native Sons of the Golden West fellow in the University of California, in a volume, "America and the Strife of Europe," copies of which have just been received in the Bay Area. The work is dedicated to the University of California.

Dr. Rippy is credited with being one of the most brilliant students of history ever to study at California. He received his A.B. degree from Southwestern University in 1913, and was under the Native Sons fellowship at California in 1917-1918, receiving his Ph.D. in 1920. Before coming here he studied at Vanderbilt University, where he received his master's degree.

While studying at the University here under Dr. Herbert E. Bolton, Dr. Rippy also served as an assistant instructor. Since 1920 he has been at the University of Chicago, with the exception of a short period spent in teaching at Duke University.

W.P.A. SYMPHONY PRESENTS "CARMEN"

Federal Music Project of the Works Progress Administration will present for its seventh program of "Everybody's Symphony Concerts" in the Civic Auditorium, December 6 at 8:00 p. m., a performance of Bizet's world famous opera "Carmen." This presentation is billed as "Grand Opera in Concert Form."

Giulio Silva, distinguished San Francisco conductor, will direct the Bay Region Symphony Orchestra and the combined Federal Choruses in this performance.

The celebrated Spanish tenor, Julian Oliver, will sing the part of "Don Jose." The cast will also include the following soloists: Florence Ringo, mezzo-soprano, "Carmen"; Lucy Day, soprano, "Micaela"; Frank Baken, baritone, "Escamillo"; Andrew Robertson, bass, "Captain of Dragoons."

SHORT TALKS By Lloyd E. Ellis

LIFE

"For as the Father hath life in himself; so hath he given to the Son to have life in himself"

John 5: 26

Men desire to live. They have a horror of death. In many ways they realize that on earth they have no certain dwelling place; they know that the things which they enjoy are temporary, and they dread the day when they shall be summoned to go hence. They know that they have a longing for a happy dwelling place, but their ideas of life beyond the grave are rather vague.

Life resides in the heavenly Father. He has delegated to the Son life also. To the Son, Jesus Christ the righteous, He has given life, and to all those who shall come to Him through the Son there shall be granted likewise life that is eternal.

There is no life without the Father, and from the beginning it has been so. From Him has emanated every ray of light and living thing. By his creative fiat life on earth came into being, by his mercy it continues to be, and by his grace shall life be in eternity.

No one can come to the Father and eternal life who does not do so through the Son. It behooves men, therefore, to be followers of the Christ.

Danseuse To Give Characterizations

In the Federal Music Theatre, 960 Bush street, Thursday evening, December 1 at 8:30 p. m., the Federal Music Project of the Works Progress Administration will present a guest appearance of Beatrice Lewis, American dramatic dancer in a program of the dance. Loyd Simpson will be at the piano.

Beatrice Lewis will present a first San Francisco performance of a group of characterizations of early California dancers, including: "Maria de la Concepcion, Port of San Francisco 1806"; "Lola Montez, Grass Valley Gold Rush Days 1853"; "Lotta Crabtree, San Francisco 1868"; "Isadore Duncan, 1900" and "Adelina Genée as she appeared at the old Valencia Theatre, San Francisco, 1913."

In addition the program will feature several new modern and classical dance forms never before presented by Miss Lewis in San Francisco.

Loyd Simpson, who has been Miss Lewis's accompanist for the past five seasons, together with the dancer, have selected unusual musical accompaniments, especially designed to carry out the mood of each number presented.

Local Resident Struck By Auto

Harold Lohneis, 42, 273 Knowles avenue, is in a critical condition in the Junipero Serra Hospital with injuries sustained when he was struck by an automobile at San Jose avenue and Flornoy street Friday evening of last week.

Edwin Kover, 33, of Mission Auto Court driver of the car, was arrested for reckless driving and released on \$100 bail.

Lohneis suffered a crushed chest, a fractured skull and possible internal injuries.

WRITERS ANNOUNCE HILARIOUS ALMANAC

On Monday of this week the Federal Writers' Project in Northern California announced its latest publication, the "Almanac For Thirty-Niners."

The "Almanac For Thirty-Niners," a hilarious version of the old farmers' almanac, is a collection of useful facts, witty jingles and startling bits of information about San Francisco and the Bay Region for every day in the year 1939. Humorous drawings by the Federal Art Project highlight the text. There is a chronology of annual events, impressive data on San Francisco's bridges. Useful for visitors to the Golden Gate International Exposition of 1939 will be the complete official calendar of Exposition events. Compiled by Federal Writers' Project of San Francisco, the volume was sponsored by Bret Harte Associates and published by James Ladd Delkin, Stanford University. There are 128 pages illustrated by 64 drawings.

Stanford Boy Killed On Coast Highway

The body of Burnard D. Arnstein, 20, for whom Stanford professors had predicted a brilliant career as an economist, was returned to Palo Alto Tuesday.

Young Arnstein was killed when his car swerved off the Coast Highway nine miles south of the San Francisco County line. It plunged over a 300-foot cliff into the surf below.

Attendants at the Villa Sanitarium assisted in retrieving Arnstein's body from the car wreckage. It was taken to the Lasswell Undertaking Parlor here by Deputy Coroner Ida May Lasswell.

Art treasures from all the world will be exhibited in the Palaces of Fine Arts at the 1939 California World's Fair.

FEDERAL HOUSING PLAN IS SUCCESS

Donald Renshaw, California State Director for the National Emergency Council, announced, early this week, that the record of actual business on the books of the Federal Housing Administration for the country as a whole and for California as a state, shows definitely that its efforts at such housing improvements have met with substantial success.

Figures show that California has received benefits totalling more than twice as much as the State of New York and nearly three times as much as the State of Ohio.

PATROL LEADERS ATTEND MEET

This morning eight patrol leaders of Boy Scout Troop No. 101 left for Camp C. C. Moore in Sonoma County where they will attend a three-day training camp for patrol leaders of the entire Bay Area. Dean Vaughn MacCaughy, noted educator and psychologist, will give the boys expert training.

Appropriate holiday festivities, including a mammoth turkey "feed" on Sunday will provide a gay side to the camp activities.

Troop No. 101 will be represented 100 per cent at the conclave with the following eight patrol leaders in attendance: Bob Gerhard, James Coughlin, Stanley Parmisano, Joe Collins, Bernard McDermott, Henry Steele, Donald Winters and Robert Ballew.

Rod and Gun Club Hold Installation

Members of the Daly City Rod and Gun Club will stage their annual banquet and installation of officers next Tuesday evening, November 29, at the Villa Mateo. Ed Moore will act as master of ceremonies; Les Langford is chairman.

The affair, which will begin at 7:30 p. m., will also honor the honorary members of the organization including Howard Vernon, father of the famous "striped bass" bill.

The newly elected officers of the club, who will be installed at impressive ceremonies during the evening are Roy Basich, president; Wallace Sample, vice-president; Andy Larsen, secretary; Walter Rupert, treasurer.

Crocker P. T. A. To Hold Bazaar

Ladies of Crocker P. T. A. will hold a bazaar on Friday of next week, December 2, at 6268 Mission street at the top of the hill. A food sale and rummage sale will be held in connection with the affair. Luncheon will be served from 11:30 until 2. Crocker members have been sewing for the past six months getting ready for this bazaar, and there will be many useful as well as beautiful articles, which will make fine Christmas gifts, on sale.

The Sew and Sew's will have their last meeting before the bazaar on Wednesday, November 30, at the home of the chairman, Mrs. Julia V. Jordan. All members are welcome.

Thousands who visit Treasure Island each week end to preview the 1939 California World's Fair, have gasped at the beauty of statuary and bas relief work in Exposition courts.

EIGHTH GRADE PUPILS VISIT BOOK CO.

Eighth grade pupils of the Woodrow Wilson school enjoyed an excursion to the Cardozo Book Binding Company on Friday. All the processes of binding a book were observed. The excursion integrated language, reading, library, social science, and craft class work. En route students visited the new Bay Bridge Terminal at First and Mission streets. The art supervisor, Mrs. Corral, and the principal, Miss Tobias, accompanied the students.

The seventh and eighth grades of the Woodrow Wilson elementary school visited the Hostess Cup Cake Company last Friday with their teacher, Miss M. Vireno. The visit culminated their study of inventions and the manufacture of machinery. The mighty mixers, kneaders, and rotary ovens in the modern baking plant emphasized economy of time and labor.

Gen. Pershing P. T. A. To Hold Card Party

Mrs. Ilda Marquis, president of General Pershing P. T. A., is urging all members and friends to attend the card party to be given at General Pershing school on Hanover street Wednesday afternoon of next week following the executive board meeting.

The cafeteria at the school was opened only three days this week due to the holidays.

Mrs. Ann Lucas and Mrs. I. Marquis attended the meeting of the Seventeenth District last Friday evening at Burlingame high school and enjoyed the excellent program put on for fathers' night.

No sewing circle was held this week because of the holidays.

Finest Livestock To Come To Fair

Charles H. Purcell, executive officer of the California State Commission, recently announced that construction work on the livestock pavilion on Treasure Island had been inaugurated, with completion planned by January.

California of the 60's met and mingled with the 1938 edition at the groundbreaking ceremonies, and Mayor Angelo J. Rossi of San Francisco, President Leland Cutler of the Exposition, Ezra Fjeldsted, Chief of the Livestock Division for the Exposition, Colonel Fred T. Robson of the California State Commission, Sam H. Greene, Secretary-Manager of the California Dairy Council, and numerous other dignitaries agreed—in the presence of a large visible audience, and a vast unseen one comprising radio listeners on an eleven Western States NBC hookup—that the livestock industry will be well cared for during 1939 by the California State Commission and the Golden Gate International Exposition.

JEFF DIST. STUDENTS ENROLL AT SM JAYSEE

Forty-four Jefferson Union high school district students are registered at San Mateo Junior College for the fall semester of 1938. Those attending the nearby Jaysee are: Eno Barghini, William Bellando, Helen Bertini, Elizabeth Cattori, Lillian Cavagnaro, Emedia Cavalli, Evelyn Clanton, Eleanor Conserva, Frances Curusis, Bocci Delfino, Matilda Farbar, Rosemary Flanagan, Elio Fontana, Marjorie Fuches, Anne Kahle, Mark Kanter, Viva Keithley, Raymond Kennedy, Michael Kerekes, Byron Krebs, Barbara Linden, Jack MacDonald, Andrew McKeown, James McNair, Peter Marich, Frank Marquis, Charles Murray, Loretta Nunes, John O'Brien, Francis Olsen, William Preston, Harry Pronges, Richard Schultz, Albert Scott, Rose Shiffman, Bud Simpson, Clinton Smith, Grant Smith, Anne Steele, Henry Telleria, Alma Watson, Nan Willer, and George Young.

San Mateo Jaysee Closes Season

Playing a six to six tie with Santa Ana Jaysee, San Mateo junior college ended its home season of football last week-end. The Thanksgiving day game was played at Sacramento with Sacramento Jaysee. "Three Cornered Moon," San Mateo's term play, proved popular with the two audiences which saw it last Thursday and Friday nights.

The college A Capella Choir will give a series of concerts throughout the county during December. Thirty-one students are included in the group.

The coeds of the college are to present their annual fall style show December 2, when they will display \$1500 worth of costumes loaned by a San Francisco department store.

Jaysee soccer players defeated the strong University of California at Los Angeles team four to two on the San Mateo field recently when the Uclans were barnstorming northward. The San Mateo team planned a trip south for this week-end to meet several southern squads.

A recent student assembly featured program given by several blind people. A boy xylophonist, demonstrations of the blind reading and writing, and the work of a "seeing eye" dog were included on the program.

Ray Orr Is Speaker At Dist. PTA Meet

"Let us not sell youth short," urged Ray Orr, vocational counselor and guest speaker at the recent Fathers' Night meeting of the seventeenth district, California Congress of Parents and Teachers at the Burlingame high school auditorium. Mr. Orr, in speaking of the baffling problems that confront bewildered youth and the great forces playing against them today, pointed out how apt parents are to "reprove" instead of "approve."

The Burlingame high school choral, under the direction of Elmer H. Young, sang "Glorification" and "Ave Maria" as a feature of the program.

Reverend Cecil G. Osborne of the Burlingame Baptist church presented the character development thought, and George V. White, Fathers' Forums chairman, briefly outlined the need of father participation in the organization. Frank J. Steele, district chairman of Fathers' Forums memberships, advocated a closer co-operation between the father and the school and spoke of the part the forums play as the medium of this co-operation.

Mrs. George Bruns, third vice-president and director of the department of extension, in charge of this meeting, presented two membership awards. The first went to San Mateo Union high school unit, under the direction of Mrs. T. S. Drisko, and the second to the McKinley unit, whose president is Mrs. Holton Hornbeck.

Members of the Boy Scout Troop No. 155 led the audience in the flag salute. The next meeting of the seventeenth district congress will be a half-day session at the Burlingame high school on December 16, under the direction of Mrs. F. M. Stanger and the department of education.

Erna Slee Studio Opens Tomorrow

Erna Slee, famous stage, radio and recording artist will open her new Daly City studio tomorrow, November 26, at 6454 Mission street. Many of her most accomplished students of the steel guitar, mandolin and ukulele will be at the studio all afternoon to play for the public, which is cordially invited to come in and visit the new musical headquarters.

Miss Slee herself will play at 1:30 p. m. to launch the gala opening program.

Many local people are already taking instructions from the Slee Studios and Miss Slee cordially urges others to visit the local branch and get acquainted.

PIGSKIN SEASON OVER FOR JEFF FOOTBALL FANS

Team Material Good, 1938 Record Successful

Jefferson Union high school has closed its doors on another football season. The season was fairly successful as a whole, according to the coach.

During the practice games the team came out with a very good average only losing three games. The teams that beat the Jefferson Indians came very close to winning their prospective league championships.

In the Peninsula Athletic League the Indians made fairly well. They were tied for second place. Only injuries and a bad break in one of the games kept the Indians from winning the championship. Sequoia Cherokees of Redwood City won the Peninsula Championship with only one defeat, and that was by the Jefferson Indians.

Jefferson had exceptionally good material. The team's average was larger than in previous years. Among this year's players there were three all league players—Tony Compagno, half back of the Indians, Harvey Smith, stalwart lineman who was chosen on the unofficial first team; and Buster Eldrup, the Indian's big guard who although injured in the last two games was chosen on the second all P. A. L. team. Bob Christen, fullback, was given honorable mention.

Next year's team shows promise of being a good team. Many veterans such as Bob Christen, Herb Poddig, Roy Guisti, Bill Smith and others will bolster the squad, along with the stars of this year's frosh-soph team. Seniors who played their last league game include: ends, McCune, Tolovi, Boyle, Larin; tackles, Smith, H. Petrini; guards, Ayres, Grantham; Eldrup; centers, Fitch, Epidendio; backfield, Compagno, Wright, Parker, Witzeman, Castro, Wynans.

Children should be reminded that when it rains and the pavements are slippery, it takes automobiles longer to stop, according to the Safety Department of the National Automobile Club. It is always dangerous for children to run into the street, but is especially dangerous in the winter months because the motorist may not be able to stop in time to avoid an accident.

QUALITY

SERVICE

The two great factors upon which American industry has been built.

QUALITY--

Every home, every highway, every unit of construction work must be built with quality materials. That is why architects and contractors specify GOLDEN GATE ATLAS AGGREGATES.

SERVICE--

On new jobs and for repair work rapid service in delivering construction materials is an absolute necessity. The Golden Gate Atlas Materials plant on Junipero Serra Boulevard is ready to give immediate deliveries on sand and gravel, cement, plastering materials and ready mix concrete. Pick up orders can be served in a minute at the plant.

SUMMONS

No. 28974—Dept. 2

In the Superior Court of the State of California, in and for the County of San Mateo.

ALBERT A. MOLFINO, Plaintiff, Vs. ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON THE REAL PROPERTY HEREIN DESCRIBED OR ANY PART THEREOF, Defendants.

Action No. 28896
Department No. 2

ALBERT A. MOLFINO, In Propria Persona, and I. KARMEI, Attorneys for Plaintiff, Colma, California. THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property herein described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of ALBERT A. MOLFINO, plaintiff, filed with the Clerk of the above-entitled Court and County, within three months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the County of San Mateo, State of California, particularly described as follows:

Lot 3 in Block 9, as designated on the map entitled "MAP OF THE FIRST ADDITION TO HUNTINGTON PARK," which map was filed in the office of the Recorder of the County of San Mateo, State of California on Nov. 1, 1907 in Book 5 of Maps at page 40.

And you are hereby notified that unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: that it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that his title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or liens of any description; that plaintiff recover his costs herein and have such other relief as may be meet in the premises.

WITNESS my hand and the seal of said Court this 7th day of October, A. D. 1938.

Ladies and young ladies of the Colma Parish have completed plans for a turkey whist to be held, Tuesday, December 13, for the benefit of Holy Angels Church, at Parish Hall, Colma. Many turkeys and other prizes will be awarded high-scoring players. The public is cordially invited to the affair.

NATIVE DAUGHTERS HOLD OFFICIAL VISIT

El Carmelo Parlor No. 181, Native Daughters of the Golden West, held official visit honoring Mrs. Edna Briggs, grand president at the last regular meeting of the organization, at Masonic Temple. Gifts, favors and decorations were in keeping with the theme of the evening, "Treasure Island."

Saturday evening the Drum Corp will participate in a competition held at Civic Auditorium.

LOL NO. 118 REPORTS SUCCESSFUL WHIST

Committee members in charge of the annual turkey whist of California True Blue L. O. L. No. 118 announce that the event, held Saturday evening at Masonic Temple, was a great success. Ed Parker, on behalf of his committee and the entire lodge, extends appreciation for the fine support given the affair.

Colma Pioneer Dies At Home

Funeral services were conducted in San Francisco Monday morning for Mrs. Maria Olcese, 76, who succumbed Friday of last week at her home on Price street, Colma.

The surviving relatives are four sons, Angelo, John, Attilio and Dominic Olcese; and a daughter, Mrs. Angelina Saliou.

A requiem high mass was celebrated in Holy Angels Church in Colma. Entombment was in the mausoleum at Holy Cross Cemetery.

Mrs. Olcese was a pioneer resident of Colma.

CHRISTEN CHILD

Raymond Allen Brush, month old son of Mr. and Mrs. William Brush of Santa Cruz avenue, was christened Sunday afternoon at two o'clock at Our Lady of Perpetual Help Church by Reverend Father O'Rourke. The baby's great aunt and great uncle, Miss Nellie Gargan and Joseph Gargan, were godparents.

Following the services a dinner was given at the Brush home. The guests were Mr. and Mrs. A. Brush Sr. and son Allen, Mr. and Mrs. A. Alvise and daughter Barbara Montette, Mr. and Mrs. A. Brush Jr. and sons Jimmy and Jackie, Miss Nellie Gargan and Phil and Joseph Gargan.

LOCAL THEATRE TO SHOW SONJA HENIE FEATURE

"Algiers" With Boyer To Complete New Bill

At last the miraculous Sonja Henie appears in a picture as American as an ice cream cone! A dazzling modern girl, having a modern good time on a co-ed campus, wearing swank clothes, keeping swell dates—that's Sonja as you'll see her in "My Lucky Star," her new hit for 20th Century-Fox, which opens next Sunday, November 27, at the Daly City Theatre.

This is a picture that winks and glitters with fun and romance and the magic of stars hanging low on a still frosty night. It has songs and laughter that seem to sail through the air like ski jumpers, and Sonja's magnificent "Alice in Wonderland" ice ballet—climaxing what is by all odds her happiest screen story—is a thing to make you cry out in wonder and delight.

Sharing star honors with Sonja and giving an excellent account of himself is Richard Greene, handsome young British actor last seen in "Four Men And A Prayer," while Joan Davis, Cesar Romero and Buddy Ebsen are featured in widely divergent comedy roles which will delight their fun-loving fans.

Second major attraction on this outstanding program will be "Algiers," starring Charles Boyer, Sigrid Gurie and Hedy Lamarr.

Mr. and Mrs. W. P. Clark, 251 Wellington avenue, and son Ralph Clark left for Los Angeles Wednesday to spend the Thanksgiving holiday with Mrs. E. Estes. They will return home Sunday. Mr. Clark and Mrs. Estes are brother and sister.

AUTOMOTIVE TRADE CONFERENCE SET

California Automotive Trade Conference will be held on Treasure Island, June 23, 24 and 25, 1939.

This announcement was recently made by Al Brandhofer, executive-secretary of the Allied Automotive Industries of California, Ltd., who is in charge of arrangements for the three day conclave, at which members of all automotive maintenance trade groups will gather.

"We are planning on a program that will include educational and business meetings, as well as entertainment," said Brandhofer.

CAPITOL FEATURES CRYSTAL AYMES

Crystal Aymes, billed as "the vivacious red head," will be featured in the new show opening today at the Capitol Follies.

Miss Aymes is possessed of a personality as famous as her figure and the complete combination of her charms is said to be attracting capacity audiences at the Capitol Follies.

Another outstanding star at the Capitol Follies this week is Peggy Hill, a vivid, titian-haired beauty, who returns by popular demand after a year of sensational success in eastern roadshow.

Glittering ensembles, novelty numbers, hilarious comics and gorgeous chorus girls are part of the complete new show opening today and every Friday. Three deluxe stage shows are presented daily, with attractive screen features in between. A mammoth midnight show is a favorite Saturday night feature with Capitol burlesque fans.

Mrs. Nora Roynon of Covina, California, and son and wife, Mr. and Mrs. Vincent Roynon, and sons of Oakland spent Saturday visiting at the home of Mrs. Roynon's niece, Mrs. Grace Hill on Bismark street.

Jack Chesterman of Santa Rosa, formerly of Peoria street, was in town Tuesday calling on several of his friends.

She's Queen Of Co-ed Campus

Highlight of 20th Century-Fox's "My Lucky Star," starring Sonja Henie and Richard Greene (upper right) is Sonja's dazzling ballet of "Alice in Wonderland," with Sonja as Alice and a rink-full of Lewis Carroll's most beloved characters.

Mrs. Margaret Weier left Thursday of last week for her home in Reno. She has spent a week here visiting her sister, Mrs. Agnes Wood of Mission circle.

Mrs. F. Morgan entertained at luncheon at her home on Acton street Monday, honoring her daughter-in-law, Mrs. Norma Morgan of San Francisco, formerly of Peoria street, at a stork shower. Twenty

friends were present and presented the guest of honor with many beautiful gifts.
